MEMORANDUM

TO: Honorable Planning Commission
FROM: Stacey Jolliffe, Principal Planner
SUBJECT: Cameron Tentative Parcel Map TPM 08-0003
DATE: January 28, 2010

Recommendation

Continue the item open to the March 25, 2010 Planning Commission meeting.

Background

The Cameron Tentative Parcel Map TPM 08-0003 was continued from the Planning Commission's December 10, 2009 meeting to the January 28, 2010, meeting in order to allow time for the preparation and circulation of an initial study per CEQA.

Key Issues

The Planning Commission provided direction to staff to complete the biological resources section of the initial study with measures proposed by the applicant to offset impacts to migratory deer herds.

The applicant has prepared an amended Tentative parcel Map with a primary and an alternative building site for both parcels. Staff has modified the initial study and is working with the applicant's representative to refine the language.
